

Chartfield Lookups

Chartfield Lookups provide additional details related to the various Chartfields, such as OrgID, Fund, Account, Activity, and Project.

Navigation can be done multiple ways through Management Reports:

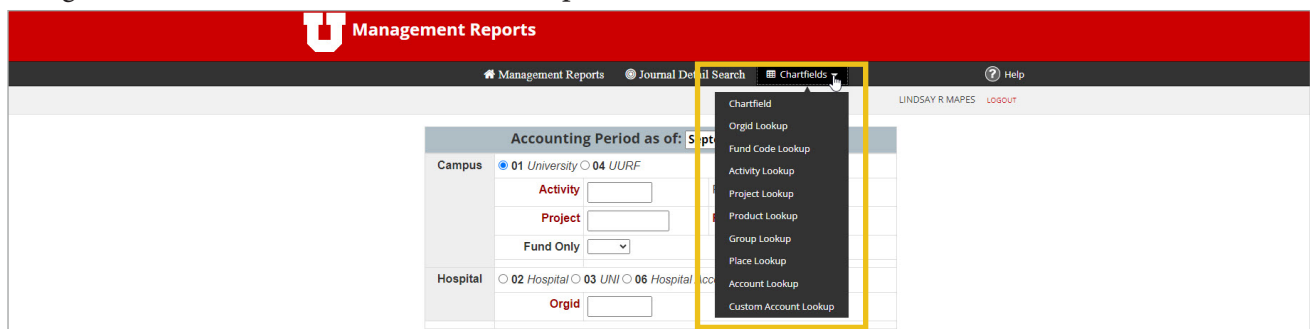

1. Through the *Management Reports* Criteria Page.
2. Through the various red hyperlinks found in management reports, including those located in the Criteria Header.

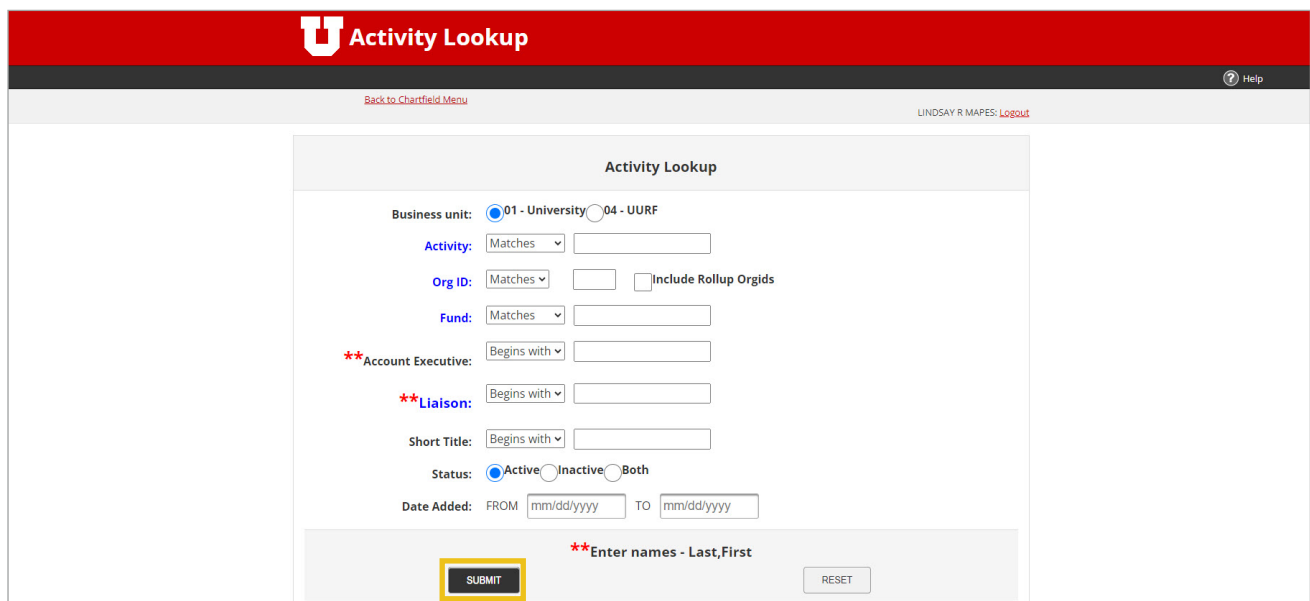

This guide covers hyperlinks located within the Summary of Revenue & Expense (Activities) and Revenue & Expense by Budget Category (Projects). See the *Management Reports for Activities and Projects* guide on the [Financial Services Training site](#) to see more Chartfield Lookups located within management reports.

Access from Management Reports Criteria Page

- 1 From *Management Reports* application, click the drop down menu next to “Chartfields” located on the top navigation bar and select the desired Lookup.

- 2 Enter search criteria and click the “Submit” button (*Activity Lookup* shown in screenshot).

See the *Accessing Management Reports for Activities and Projects* video on the [Financial Services Training site](#) for steps to access the Management Report application.

Access from Management Reports Criteria Header

- 1 From any management report, click the desired red hyperlink to open the search screen/results for the related Chartfield Lookup.

Activities

- A “Activity” red hyperlink:** when clicked, opens the *Activity Lookup* search screen. Enter criteria to search for a specific Activity or view a list of Activities by Business Unit, OrgID, Fund, Account Executive, Liaison, Status, etc.
- B Activity Number red hyperlink:** when clicked, opens the *Activity Lookup* search results for the Activity and includes details, such as Fund, OrgID, Account Executive, and Liaison.
- C “Orgid” red hyperlink:** when clicked, opens the *Org Id Lookup* search screen. Enter criteria to search for all Orgs within the OrgID hierarchy (Rollup Structure) or a list of OrgIDs by Business Unit and/or Status (OrgID List).
- D OrgID red hyperlink:** when clicked, this opens the *Org Id Lookup* search results of all OrgIDs.
- E “Responsible Person” red hyperlink:** when clicked, this opens the *Activity Lookup* search results of all Activities for the Account Executive.

Projects

- A “Project” red hyperlink:** when clicked, opens the *Project Lookup* search screen. Enter criteria to search for a specific Project or a view list of Projects by OrgID, Account Executive/Principal Investigator, Agency Award Number, Proposal ID, Liaison, Status, etc.
- B Project Number, Award Number, and Proposal ID red hyperlinks:** when clicked, opens the *Project Lookup* search results for the Project and includes details, such as OrgID, Account Executive/Principal Investigator, and Liaison.
- C “Orgid” red hyperlink:** when clicked, opens the *Org Id Lookup* search screen. Enter criteria to search for all Orgs within the OrgID hierarchy (Rollup Structure) or a list of OrgIDs by Business Unit and/or Status (OrgID List).
- D OrgID red hyperlink:** when clicked, this opens the *Org Id Lookup* search results of all OrgIDs.
- E Agency Name red hyperlink:** when clicked, opens the *Project Lookup* search results of all Projects with the Agency Name.
- F “Responsible Person” red hyperlink:** when clicked, this opens the *Project Lookup* search results of all Projects for the Account Executive/Principal Investigator.

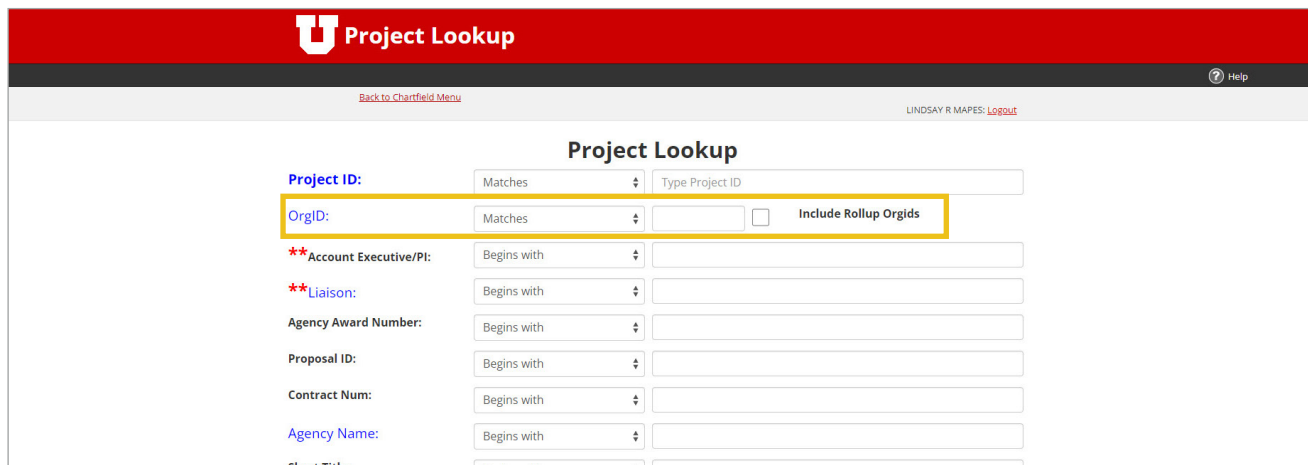

Example Use Cases for Chartfield Lookups

See a list of all Activities/Projects for my department/college (both active and inactive)

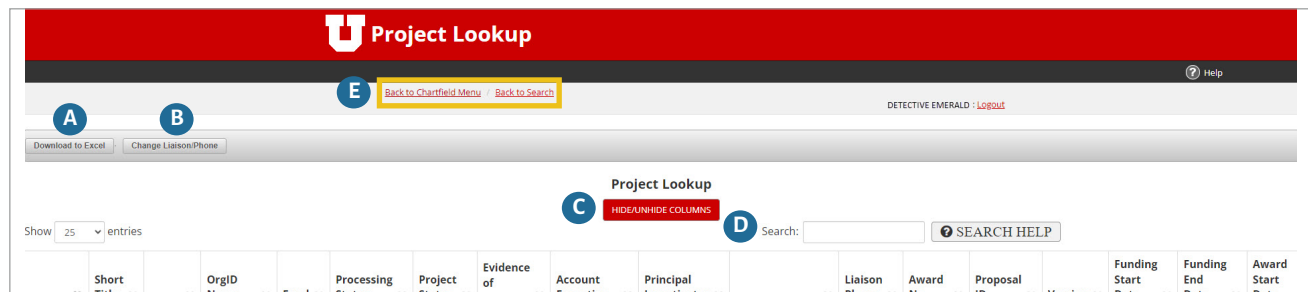

- 1 Select “Activity Lookup” or “Project Lookup” from the drop down menu.

- 2 Enter OrgID and click the “Submit” button. *NOTE: Check the “Include Rollup Orgids” to see all Activities/Projects within the Org structure/hierarchy.*

Navigate/Customize the Search Results

- “Download to Excel” button:** when clicked, downloads the search results (all columns) in an Excel format.
- “Change Liaison/Phone” button:** when clicked, another screen opens to enter the new Liaison for the selected Activities/Projects. *Note: Click “Cancel” to return to the previous screen.*
- “Hide/Unhide Columns” button:** when clicked, another screen opens to hide or unhide columns from the search results screen. *Note: If downloaded to Excel, all columns, even those hidden will be downloaded.*
- “Search” box:** enter a key term here to search the results.
- Navigation buttons:** use red hyperlinks located in this section to return to a previous screen.

Example Use Cases for Chartfield Lookups Continued

See a list of all Activities/Projects that have been added this fiscal year for my department/college

- 1 Select “Activity Lookup” or “Project Lookup” from the drop down menu.

The screenshot shows the 'Management Reports' header with a navigation bar containing 'Management Reports', 'Journal Detail Search', and 'Chartfields'. The 'Chartfields' dropdown menu is open, showing options: 'Chartfield', 'Orgid Lookup', 'Fund Code Lookup', 'Activity Lookup', and 'Project Lookup'. The 'Activity Lookup' and 'Project Lookup' options are highlighted with a yellow box. Below the menu, the 'Accounting Period as of: Sept' and 'Campus' (01 University, 04 UURF) are visible.

- 2 Enter the fiscal year dates in the “Date Added” *From* and *To* fields and click the “Submit” button.

The screenshot shows the 'Project Lookup' form. The 'Date Added' section is highlighted with a yellow box, showing 'FROM' and 'TO' fields with date input masks (mm/dd/yyyy). Below the date fields, there is a note: '**Enter names - Last,First'. At the bottom of the form are 'SUBMIT' and 'RESET' buttons.

See a list of all Funds in Business Unit 01 (University - Academic)

- 1 Select “Fund Code Lookup” from the drop down menu.

The screenshot shows the 'Management Reports' header with the 'Chartfields' dropdown menu open. The 'Fund Code Lookup' option is highlighted with a yellow box. The 'Accounting Period as of: Sept' and 'Campus' (01 University, 04 UURF) are visible.

- 2 Click the “Display on Screen” button (or “Download to Excel” button).

The screenshot shows the 'Fund Code Lookup' form. The 'Business unit:' is set to '01 - University' and 'Status:' is set to 'Active'. At the bottom, the 'Output Options' section is highlighted with a yellow box, showing 'DISPLAY ON SCREEN' and 'DOWNLOAD TO EXCEL' buttons.
